

TECHNICAL RIDER DJ DOLLAR SET (DJ * VJ)

IMPORTANT!

1. The DJ booth should be firmly placed on a riser, as to give the public a proper view of the DJ. Booth or desk should have enough space to provide for VJ and carry VJ equipment (2 laptops)
2. The DJ should be sufficiently lighted, as well as all equipment and records.
3. The DJ booth should only be accessible to the DJ, VJ and organization.
4. All equipment should be leveled.
5. The DJ booth should contain an extra table on hip-height for record bags with enough space for up to 4 record bags
6. The DJ booth and desk should be absolutely shock-free, preferably by using 2 x FREEFLOATERS for the CD tables and sufficient space between public and DJ booth.

TECHNICAL SPECIFICATIONS AUDIO, to be provided by promoter or venue unless other arrangements have been made:

- 2 x PIONEER CDJ 400 or 1000 MK3 professional CD players
- High quality mixer: Pioneer DJM 800 or Rane TTM 57s
- 2 x powerful monitor loudspeakers, to be operated through the mixing desk.
(The height between placed equipment and the riser floor should be around 36")
- Monitors should – if applicable – be placed on standards and there should be enough space for up to 2 DJs to move between DJ desk, monitors and records table.
- Microphone (wireless) for use by a possible MC.

!! Please note that it is forbidden to record the DJ set without our explicit consent!

TECHNICAL SPECIFICATIONS VIDEO, to be provided by promoter or venue:

- Projector, minimum 3000 lumen; projector out: Composite or S-Video or Connection to venue televisions (we'll provide adaptor to connect to Apple Mac Book connection should be S-Video or Composite)
- Projection screen(s), preferably 4:3 or 16:9 dimensions
- Visuals to be controlled from DJ / VJ desk or booth; not from lighting booth! (unless otherwise worked out in advance)
- Visual check before gig to try out equipment & fine-tuning
- Lighting / video technician available for support at VJ-check or change-over

!!! If one of these requirements cannot be met PLEASE LET US KNOW ASAP
